ANDALIB MAHEJABIN has been working as a Deputy Director at Rural Development Academy, Bogura since July, 2012. She obtained her Bachelor and Masters Degree in Sociology from Rajshahi University, Rajshahi respectively in 2008 and 2010.

Andalib is actively involved in different kind of training programs and research works. She received training programs on establishing a multi-stakeholder partnership framework for ensuring good quality of the National Basic Capacity Building Program for UP, Project Cycle Management and some other related fields in Bangladesh.

Again she went to India to participate a two month length training program on ‘Capacity Building for Providing Alternative Livelihood Opportunities for the Poor (CBALO) at National Institute for Micro, Small and Medium Enterprises (NIMSME), Yousufguda, Hyderabad, India.

She has experience of conducting training programs on agribusiness, food processing, social forestry, different kind of poverty reduction related courses and some other training courses like foundation training of BCS (Health Cadre) officials as course coordinator.

Her field of interest is women in Bangladesh especially working women. Thus she worked on experience of working women of a certain location and she has publications in national and international journals regarding this field. Again she is related with further research works on different aspects of Bangladesh.
