Mr. Khurshed Iqbal Rezvi, an experienced and dedicated civil servant, assumed the esteemed position of Director General of the Rural Development Academy (RDA), Bogura on June 1, 2023. His journey in public service began on April 25, 1994, when he joined as Assistant Commissioner and Magistrate at the Divisional Office in Chattogram.

Throughout his illustrious career, Mr. Rezvi has held various significant roles, showcasing his exceptional leadership and administrative capabilities. Notably, he served as Assistant Commissioner and First Class Magistrate in the Deputy Commissioner's offices of Brammanbaria and Cox's Bazar districts. Additionally, he held the esteemed position of First Class Magistrate in the Druto Bichar Tribunal.

Mr. Rezvi's dedication and expertise have been evident in his roles as Assistant Commissioner (Land) in Akhaura, Brammanbaria; Anwara, Chattogram; and Sadar Upazilla, Cox's Bazar. He further enriched his experience by serving as the Upazilla Nirbahi Officer in Hazigonj Upazilla of Chadpur and Islampur Upazilla of Jamalpur district.

His contributions were not limited to field administration as he made significant impacts while working in key positions in various government ministries of the top level administration. He played an essential role as Senior Assistant Secretary in the Ministry of Public Administration and the Planning Division.

Mr. Rezvi's diverse skill set and adaptability are reflected in his stint as the Director of Gopalganj Textile Engineering College. His experience in the field of administration proved instrumental in the institution's growth and development. Moreover, his exemplary performance led him to be appointed as Joint Secretary in the Ministry of Public Administration, further elevating his responsibilities and influence.

In recognition of his exceptional abilities and professionalism, he joined the Ministry of Textile and Jute as Joint Secretary on July 8, 2018. His outstanding performance in this capacity led to his promotion to the role of Additional Secretary in the same ministry. His profound understanding of the sector and strategic vision were crucial in formulating policies and strategies for the betterment of the textile and jute industries. Before joining this position he was serving in the Ministry of Food as additional secretary.
